Hickman County Board of Education

	Descriptor Term: **Emergency Preparedness Plan**	Descriptor Code: **3.202**	Issued Date: **08/01/22**
		Rescinds: **3.202**	Issued: **03/07/22**

The director of schools shall be responsible for developing, maintaining and acquiring Board approval of the district Emergency Preparedness Plan,[1] which shall include procedures for bomb threats, civil disturbances, armed intruders, earthquakes, fires, tornadoes or other severe weather, and medical emergencies.

The principal of each school shall develop and implement emergency preparedness drills which shall be approved by the director of schools. When appropriate, such drills shall be held in conjunction with emergency response agencies. These procedures shall be in written form and distributed to all staff, students and parents.

FIRE AND SAFETY DRILLS

The principal shall ensure that one fire drill requiring full evacuation is given every thirty (30) school days, with two (2) fire drills occurring during the first thirty (30) full days of the school year. Additionally, he/she shall ensure that four (4) fire safety educational announcements are conducted throughout the year.[2]

The principal shall ensure that three (3) additional safety drills are given during the school year.[3] These drills may cover inclement weather, earthquakes, armed intruders, or other emergency drills that do not require full evacuation. A record of all fire or safety drills, including the time and date, shall be kept in each school's office.[3]

ANNUAL DRILLS[4]

The principal shall ensure that the school safety team conducts each of the following type of drills annually:

1. An armed intruder drill in coordination with local law enforcement;
2. An incident command drill; and
3. An emergency safety bus drill.

ARMED INTRUDER DRILLS

The director of schools or his/her designee shall ensure that each school safety team conducts at least one (1) armed intruder drill annually in coordination with local law enforcement.[4]

AED DRILLS[5]

All schools shall conduct a CPR and AED drill to ensure students are aware of the steps that must be taken in the event of a medical emergency. The principal shall be responsible for ensuring the drill occurs.

The Director of Schools shall develop the necessary administrative procedures on AED and CPR training, planning, notification, and maintenance to comply with state law.

The principal shall regularly check the quantity, locations, and conditions of fire extinguishers and shall give all school personnel instructions on how to properly use fire extinguishers.

MEDICAL EMERGENCIES/PANDEMIC FLU[6]

In the event of medical emergencies, such as a pandemic flu outbreak, school officials shall cooperate and consult with the local and state health departments and other local emergency or healthcare providers in protecting students and the community from further infection. The director of schools shall develop procedures for health emergencies in accordance with state law and regulations.

REMOTE LEARNING DRILLS[7]

At least once each school year, a remote learning drill shall be conducted. The drill shall accurately reflect how students will transition to remote learning in the event of a disruption to school operations. Students shall not be asked or required to transition to remote learning at any time during the drill.
