Dear Mrs. Manor and Members of the Hickman County School Board,

In alignment with Board Policy 4.401, I am confirming that all teachers and students at Hickman County Middle School are utilizing the district-adopted instructional materials. Students and teachers have the adopted textbooks and consumables needed, and these resources are being implemented in our instruction. Our faculty is committed to ensuring that the adopted materials remain the foundation of teaching and learning, providing both consistency and quality in educational practice.

Respectfully,

Tina S. Thigpen

Dear Board of Education,

This document serves as confirmation that all students at HCHS have been issued the correct textbook for each of their assigned classes. A thorough review has been conducted to ensure that every student has access to the appropriate instructional materials required for their coursework. Additionally, all teachers are actively incorporating these textbooks into classroom instruction to support student learning.

This process is in full compliance with Hickman County School Board Policy 4.401, ensuring that instructional materials are properly distributed and effectively utilized to enhance the educational experience of all students.

Respectfully submitted,

Robyn Emerson
Proud Principal of Hickman County High School
