Keith Nash Chairman

Hickman County Legislative Body Minutes

Meeting Date: Monday, November 24th, 2025

Location: Hickman County Justice Center

Start Time: 6:00 PM

Clerk: Casey Dorton

I. Opening & Administrative Items

Call to Order: Meeting called to order by Chairman Nash at 6:00 PM.

Roll Call by County Clerk:

Present (13): Ron Mayberry, Ron Puckett, Ricky Murray, Keith Nash, Devin Pickard, Matthew Barnhill, Claude Calicott, Clay Chessor, Danny Clark, Todd Collins, Wayne Thomason, Steve Gianakos, Dusty Jordan.

Absent (1): Jim Herron.

Quorum established.

Prayer/Pledge of Allegiance: Led by Commissioner Collins (Prayer) and Sheriff Jason Craft (Pledge).

Approval of Agenda:

Motion: Commissioner Puckett moved to amend the agenda to move Resolution 25-33 (Memorial Highway) to appear immediately after the Approval of the Agenda item. Chairman Nash noted the error regarding the hearing status on the resolution was struck.

Second: Commissioner Chessor.

Vote: Passed by voice vote.

Resolution 25-33 (Memorial Highway):

Resolution 25-33 was presented. It requests the General Assembly to designate a portion of Highway 100 East as the Center Police Chief Shannon Irwin Memorial Highway.

Motion: Commissioner Puckett moved for adoption.

Second: Commissioner Pickard.

Vote: Passed (Adopted) by Roll Call Vote (13 Yes, 1 Absent).

HICKMAN COUNTY TENNESSEE

RESOLUTION NO. 25-33

REQUESTING THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE TO DESIGNATE A PORTION OF HIGHWAY 100 EAST IN HICKMAN COUNTY TENNESSEE AS THE CENTERVILLE POLICE CHIEF SHANNON IRWIN MEMORIAL HIGHWAY

WHEREAS, a certain section of State Highway 100 East lies within Hickman County Tennessee; and,

WHEREAS, Chief Shannon Irwin was a respected citizen of Hickman County and is the desire of the community and this legislative body to honor his memory and lasting contribution to our county and country; and,

WHEREAS, Shannon Irwin served as Centerville Police Chief and served not only Centerville but the county with great honor and integrity; and,

WHEREAS, the Hickman County Highway Commission unanimously voted to move forward with renaming a portion of Highway 100 to Centerville Police Chief Shannon Irwin Memorial Highway

WHEREAS, the Hickman County Legislative Body is desirous of petitioning the General Assembly of the State of Tennessee to designate such a section of highway as noted, and will pass such resolution by a two-thirds majority of it's members;

NOW, THEREFORE, BE IT RESOLVED, by the Hickman County Legislative Body, meeting this 28th day of September, 2025 that;

SECTION 1: *We hereby encourage our representatives to the General Assembly of the State of Tennessee, namely Senator Kerry Roberts and Representative Jody Barrett to draft, sponsor and work for passage, legislation to designate the aforementioned section of Highway 100 East at the River Park Bridge from Highway 50 West in Hickman County the Chief Shannon Irwin Memorial Highway.*

SECTION 2: *Said legislation should also direct the Tennessee Department of Transportation to erect suitable or feasible following the passage of the relevant state legislations.*

SECTION 3: *The Hickman County Mayor is hereby directed to furnish certified copies of this resolution to aforementioned representatives to the Tennessee General Assembly at their offices in Nashville, Tennessee.*

SECTION 4: *This resolution shall become effective upon its passage by a two-thirds majority vote, the welfare of the citizens of Hickman County requiring it.*

IV. Unfinished & New Business: Actions and Votes

Resolution 25-32 (Bates Trail Rezoning):

County Attorney clarified the Commission has broad discretion to deny the application based on rational grounds like community opposition.

Vote: Failed by Roll Call Vote (6 Yes, 6 No, 1 Passed/Abstained).

Resolution 25-34 (Hwy 100 Rezoning):

Action: Introduced for the First Hearing. Action deferred to the next scheduled meeting.

Resolution 25-35 (Add Road to List):

Motion: Commissioner Calicott.

Second: Commissioner Chessor.

Action: Road being added is Pruett Cemetery Road (.02 miles/100ft).

Vote: Passed by Roll Call Vote (13 Yes, 1 Absent).

HICKMAN COUNTY, TENNESSEE

RESOLUTION NO. 25-35

TO ADD A ROAD TO THE OFFICIAL COUNTY ROAD LIST OF HICKMAN COUNTY, TENNESSEE

WHEREAS, a county legislative body has the duty to designate county roads in the county and make annual updates of such designations; and

WHEREAS, the Hickman County Highway Commission has, at their regularly scheduled meeting on November 3, 2025 voted to accept the addition of Pruett Cemetery Road to the County Road List; and

WHEREAS, the Hickman County Legislative is desirous of adding such road;

NOW, THEREFORE, BE IT RESOLVED, by the Hickman County Legislative Body, meeting in regular session this 24th day of November, 2025, that:

SECTION 1: The following road is hereby adopted and shall be formally named:
Pruett Cemetery Road- 0.02 Miles (100ft)

SECTION 2: This resolution shall take effect from and after its passage, the public welfare requiring it.

DISAPPROVED:

Jim Bates, County Mayor

Land Use Plan Amendments:

Motion to Table: Commissioner Collins moved to table the motion to amend until the next meeting.

Second: Commissioner Barnhill.

Vote: Motion to Table Passed by Roll Call Vote (8 Yes, 5 No, 1 Passed/Abstained).

V. Adjournment

Motion: Commissioner Barnhill.

Second: Commissioner Thomason.

Meeting was adjourned.

Communication with County Mayor

1. Attended the Governor's Conference on Nov. 5.
2. On Nov. 12, there was a ribbon cutting ceremony for the Imagination Library at Jerry Dixon Walking Trail
3. The South Central Railroad will meet on the 20th to discuss a future plan for part of, or a majority of the railway through Hickman and Lewis Counties.
4. Met with Emergency Management over the Disaster Relief Grant. We are trying to get Hickman County's flood plain management squared away and have a program that will be beneficial to the county and its residents, as well as mitigate future flooding disasters.
5. Opioid Board has met several times this month. The main focus is on how the first rounds of funding are being spent.
6. Please keep our first responders in your prayers while they continue to do their jobs.

HICKMAN COUNTY PLANNING COMMISSION

NOVEMBER 4TH, 2025

MINUTES

6:30 PM

The Hickman County Planning Commission met on the above date and time at the Hickman County Justice Center.

1. Call to order by Chairperson

2. Roll Call: Ten members were present: Claude Callicott, Keith Nash, Danny Clark, William Mayberry, Jeff Church, Tommy Capps, Tony Taylor, Andy Maddox, Eddie Boone, Jason Carter, Vacant Seat: one. Also present: Austin Brown (Building Commissioner), Amanda Harrington (Planning Advisor), Brooke Smith (Chief Deputy Building Commissioner), and Monica Owsley (Administrative Assistant).

3. Call for approval of minutes for the October 7th, 2025, meeting: Eddie Boone made the motion to approve minutes. Andy Maddox seconded the motion. Motion carried.

4. Call for approval of agenda for the November 4th, 2025, meeting: Danny Clark made the motion to approve agenda. Eddie Boone seconded the motion. Motion carried.

5. Public Comments: None

6. Old Business: None

7. New Business:

A. A request, by Kenneth Jones, to rezone property on Hwy 100, Bon Aqua, TN, from A-1 (Agricultural Forestry District) to R-1 (Suburban Residential District). (Map 019, Parcel 038.05)

Mr. Jones stated he's requesting the rezoning due to TDEC saying, "something changed" regarding the septic permit. He said septic system duplicate is encroaching on another lot. After discussion Keith Nash made the motion to approve. Danny Clark seconded the motion. (10– Yes, 0 – No, 1 – Vacant Seat)

8. **Chairperson, Director, and Planner Report:** Building Commissioner Brown announced two training dates. The first on December 4th, 2025, at the Centerville City Hall (Old Court Room) at 5 pm. The second on December 9th, 2025, at the EOC; dinner will be served at 6 pm and training will begin at 6:30 pm.
9. **Announcements:** None
10. **Adjournment:** Andy Maddox made the motion to adjourn. Eddie Boone seconded the motion. Meeting adjourned.

Hickman County Solid Waste Meeting
November 3, 2025 @ 5:00 PM
Hickman County Justice Center

The meeting was called to order @ 5:00 PM by Chairperson, Dusty Jordan.

Roll Call was done by Secretary, Beth Davis with following committee members present:

Jim Herron, Danny Clark, Matthew Barnhill, Steve Gianakos, Dusty Jordan, Ricky Murray, and Devin Pickard.

Absent: Becki Bates

Additional persons present was Solid Waste Director Jordan Sachs.

Chairperson asked for motion to approve agenda. Barnhill made motion to approve the agenda, and it was seconded by Gianakos.

All present in favor of approval with none opposed. Motion carried.

The floor was opened by Chairperson Jordan for public comment.

Sachs presents two cases for the committee to review. The first case was from William Allegos and he is claiming that he didn't receive the initial bill and was surprised when he received the second notice. Sachs reports that he has paid \$90.00 and late fee as of date and that he has never been late previously. Sachs reports that they have received 3 notifications from people that they did not receive their initial bill.

Mr. Allegos is asking for the penalties to be reimbursed. There was some discussion. After discussion motion was made by Herron to reimburse the \$56.00 in late fees that have been paid. Motion was seconded by Clark.

Roll call vote was done with 7-yes votes, 0-no votes, 1 were absent.

Motion carried.

Sachs presents the second claim from, Grahm Estes who has reported that he received his bill and got on-line the first couple weeks and attempted payment that he thought had gone through but then received a second notice. Once second notice was received he realized that the money had not come out of his account. Mr. Estes states that he is not paying until late fees are removed. Jordan request that he bring his formal claim to the board and present it to the board. Clark agreed with Jordan. Sachs was asked to contact him and have him come to next meeting. Clark also asked Sachs to pull his history and bring it to next meeting.

Meeting minutes were presented from October 6, 2025 meeting for approval. Motion to approve meeting minutes was made by Gianakos and seconded by Pickard.

All present in favor of approval with none opposed. Motion carried.

Director's Report

Meeting was turned over to Sachs who reports revenue for solid waste is currently \$219,223.65. He reports that they are ahead for the year, but he is concerned that the Class III/IV landfill is directly related to line item 43110 and that only had seven years at our last inspection. That was seven years if we stayed at a steady, but we have had a significant increase. We are currently going up 10 feet above the top of the hills and making a ridge, so we aren't going to the top. Survey says we have about 78,000 cubic yards left. Sachs discusses options for saving space in that area but is already looking at options for additional space. Williamson County and Dickson County have very strict rules on what can be dumped. Barnhill discusses increasing tipping fees. There was additional discussion concerning space, but no motions were made to make any changes currently.

A new permit was discussed, and the FAA property was discussed mentioned. They also discussed the valley being used, but ground water is an issue there, and it's too close to the recycle center. Sachs is looking at options currently.

Expenditures to date total \$1,105,680.95.

Barnhill made motion to approve financial reports as submitted. Motion was seconded by Clark.

Roll call vote was done with 7-yes votes, 0-no votes, 1 were absent.

Motion carried.

Tonnage Report

No cardboard has been sold this month due to them being a man down for 2 weeks. Clark asked about cardboard coming from East Convenience Center. Sachs reports that it's compacted but not baled. He provided pictures of the cardboard on floor at center.

He reports selling first load glass since he has been director. He predicts selling one load a month from now on because it will be picked up and we are no longer trucking it to Ashland City.

Perry County has paid to date \$35,031.79. Clark asked about a set margin being in place for their fees.

Upcoming holidays are Veterans Day, Tuesday, November 11, Thanksgiving Day, Thursday, November 27 and the day after Thanksgiving, Friday, November 28. In December we will be closed on Christmas Eve and Christmas Day, and then we will be closed on New Year's Day.

The department will be getting new billing software in the next year, and he is sending a budget amendment through the finance office to cover that purchase.

This year the solid waste department billed out \$1,040,940.00 and 70.96% were resolved on time. There were \$1,092.00 in exemptions in October.

In FY '25 billing collected in October was \$102,825.00. There were 817 bills paid in October. The percentage of bills paid at end of October was 79.90%.

He again mentioned the three complaints that had been discussed earlier in the meeting.

The landfill loader is down, and we are waiting on quote to repair bores. The transfer station track hoe is down, and parts are held up in customs. The East compactors are down due. One will be covered under warranty, and the other is minor. Both should be on-line this week. We are currently relying on the old compactor.

Next meeting will be December 1, 2025.

Old Business

Discussion about late penalty for unresolved exempt properties. The resolution is attached for review. There was discussion regarding purpose of this resolution and cost of it. They want to keep penalties in place for those who don't resolve exemption prior to deadline. Sachs discusses all the money that is involved in process that we don't recoup when people don't meet the exemption deadline. There was much discussion about how this process is currently handled.

Sachs and the billing office are currently looking at almost 800 accounts that owe between \$180 and \$6,000 to the county. They will be making calls and making attempts to resolve these.

There was discussion about a sticker system to show proof of payment to allow people to use convenience centers. There was lots of discussion about how that would be policed and especially for those who rent.

New Business

No new business to discuss.

A motion to adjourn the meeting was made by Clark and seconded by Gianakos.

All present in favor of approval with none opposed.

Meeting adjourned 5:54PM.

Respectfully submitted

Beth Davis

Secretary

Health, Safety, and Properties Committee Meeting
November 3, 2025
Justice Center - Centerville, TN

Meeting called to order by chairperson, Danny Clark @ a 6:04PM.

There was no agenda sent out, but the agenda we will follow is the generic meeting agenda that we follow each meeting.

There are no meeting minutes sent out for tonight for the September 2025 meeting and there was no meeting for October 2025.

Roll Call was done by Beth Davis with the following commissioners present:

Claude Callicott, Jim Herron, Danny Clark, Michael Wayne Thomasson, Matthew Barnhill, Keith Nash, Steve Gianakos, Dusty Jordan, Ron Mayberry, Devin Pickard, Clay Chessor, and Ricky Murray

Absent: Todd Collins and Ron Puckett

12 - Present and 2 - Absent

Mayor Jim Bates was also in attendance.

The chairperson opened the floor for the public comment section.

There was no one for public comment.

Clark called upon department heads to present monthly reports:

EMS Director - Allen Livengood

August 2025 we had a total of 303 calls with charges totaling \$98,974.29 and collections totaling \$20,242.10.

September 2025 we had a total of 245 calls with charges totaling \$190,591.30 and collections totaling \$ 107,084.87.

These totals are to date as of 10/29/2025. For the month of October are currently at \$103,911.69.

Livengood reports that we won't be reporting numbers as they have in the past due to different format from new billing company.

Numbers are also not accurate due to Medicare not paying currently.

Barnhill made a motion to accept the financials as reported. Motion was seconded by Mayberry.

Roll Call vote was done by Davis with all 12 members voting yes and none voting against motion. There were 2 absent.

Motion Carried.

We are still reporting from both companies. Once we have termed with MARS/AMB we will be bringing the bad debt to you for a write-off of those aged accounts. Those have been pooling since 2011 and we can no longer take action on these.

For the AES response we had roughly \$11,000 in added expenses, but we are currently able to absorb that cost. I know we will be seeking re-imbursement.

Desperate situation with cardiac monitors due to age of current devices and cost of warranty we are looking to purchase new devices soon. We are still awaiting the CBDG grant that would offset the cost of some of this purchase. Danny asked if we had spoken with Carla, and Allen responded that they had both been working with Lori Fisher, but there was no decision made.

Thomason asked how long we would receive money from both companies. That should be through end of year. He also asked about the warranty of our monitors and cost of repairs.

Mayberry asked about when numbers should settle back into normal routine. Livengood reports that within next 3 months.

Properties - Matt Howell
It's all in the submitted report.

EMA Director - Pete Tibbs
Report has been submitted.
He did want to add that his overtime and part-time budget did take a hit during the recent AES incident.
Currently they have 64-hour fire training being conducted.
ICS 300 starts this month.
Today a drill was conducted with Life Care Center and Emergency Response agencies. That drill went very well.
Banana Pudding and Gravel Grinders was this past month.

Sheriff - Jason Craft
No report has been submitted.
1292 calls for the month.
143 inmates currently.

He commended the EMA Department for the job done at AES incident. Jody Barrett has discussed reimbursement with sheriff. The Sheriff does not have total amount for their added expenditure during that incident.

He reports that new Circuit Court Judge Lane has been conducting court from 9am-9pm this past week and has brought in additional judges and opened additional court rooms to attempt and catch up the back log that is currently present.

TCI inspections still show we have overcrowding and as long as we continue to show them what attempts are being made to resolve the problem we are in the clear.

Clark reports he has been approached by Clerk and Master, and they have requested that Court Room C be made to look like a courtroom for the judge.

Director's Notes:

1. Billing Company Changes:

We are on board with our new billing company, EMS MC, and closing out with AMB.

We are in our 90-day wind-down with AMB and ramp-up with EMS MC period.

- * Collections are monies received from AMB/EMS MC
- * Charges are the ones made by EMS MC
- * The 90-day period is complete but the numbers will be coming from both places this month.

Both companies' totals are in the packet.

* We had a 30-day delay with new billing company with a few payers due to being unable to access certain payors.

2. Bad debits write off request (see AMB page): after the 90-day wind-down will ask the commission to write off this bad debt. These accounts are aged, and time-barred accounts.

3. AES Response:

4. Cardiac Monitors/CPR Devices:

We are still waiting to hear from the CBDG (could be ?)
We need new ones in place before 2026

OLD BUSINESS

None to discuss

NEW BUSINESS

None to discuss

The motion to adjourn was made by Mayberry and seconded by Gianakos.

All present in favor with none opposed.

Meeting adjourned @ 1823.

Respectfully submitted

Beth Davis

Hickman County EMA – Director's Report September 2025

September focused on hands-on training, interagency coordination, and logistical support for multiple community events. Key efforts included Grain Bin Rescue training, regional health and 911 coordination, sanitation support for Live Love Run and the Fall Festival, hosting the Suicide Prevention Proclamation Signing, and staging EMA assets for the upcoming National Banana Pudding Festival.

Economic and Community Development Monthly Status Report

Reporting Period: Nov 2025
Prepared by: Carla Moore, Director

EXECUTIVE SUMMARY

- **Secured and advanced major funding:** TNECD approved a **\$100,000 Broadband Ready Communities Grant** for free downtown Wi-Fi and our **\$50,000 ThreeStar Round 2** application to support continued land use planning has been formally accepted. Still waiting approval.
- **Strengthened community resilience and outreach:** Promoted the Bernard Community Center's **"RecoveryFest"** on November 15 and continued regular touchpoints with local employers and regional/state partners around workforce, recovery and growth needs.
- **Launched key Q4 economic development initiatives:** Coordinated with the Planning Commission to host a **countywide PILOT/TIF training on December 9 at the EOC**, scheduled the **Q4 Joint Economic & Community Development Board meeting for November 20** and continued prospect and site-visit work with TVA and local business leaders.

KEY PROJECT UPDATES

PROJECTS	DESCRIPTION	STATUS	ACTIONS
Broadband Ready Communities Grant	Allocated by state to expand broadband access in rural communities. Project seeks to launch free Wi-Fi on public square and Ag pavilion facilitated by MLConnect, Mainstreet, Chamber and ECD partnership.	Call from TNECD advised can only support one location, free WIFI on public square was chosen. Also advised new application process this round.	\$100K approved
Three Star Certification	2-year distinction that opens communities to special, no-match-required grant funding opportunities for projects that align with community goals	Applied for \$75K Round 1 3star funding supporting launch of Entrepreneurship Program. Applied for \$50K Round 2 3star funding supporting continued efforts around Land Use Planning efforts.	Hickman County 3-Star certification approved approved (\$75K 3-Star project approved) Mainstreet completing first quarterly report requested by TNECD. Application has been formally received at TNECD. Now waiting results.
Community Development Block Grant (CDBG)	Community projects to impact low to moderate income residents	Reapproaching new block grant for lower amount \$375K (\$75K 3star matching funds)	Reapproaching grant with new language for higher potential of approval.
TDEC Brownfield Redevelopment Area Grant (BRAG)	\$25K Awarded to clean up distressed properties for county use	Funds in house	Still working on site identification process.
Accurate Energetics PILOT	\$567K in incentives ends 2025	Completed	Property Assessor finalized local tax documents complete with signatures from County IDB officers.
Accurate Energetics ECD Grant	\$600K 5 year Jobs Grant ends Dec 2025	Completed. Final report sent to state. Did not reach full goal and will owe back \$300K	TNECD now working with AES on final report and clawback process.

PERFORMANCE METRICS & IMPACT

Community: Promoted "RecoveryFest" hosted by Bernard Community Center on Nov 15th.

Funding & Investment: Received word from SCTDD that TNECD has approved \$100K Broadband Ready Communities Grant for free Wi-Fi downtown. Applied for \$50K for Round 2 of 3Star funding to support continued land use planning efforts. Application has been formally accepted.

Infrastructure Progress: Permits approved (Oct 15 – Nov 15) 12 residential, 1 commercial

COLLABORATIONS & PARTNERSHIPS

Interdepartmental Coordination

- Coordinated with Planning Commission the organizing of a "countywide" PILOT training event facilitated by Attorney Tom Trent from Bradley LLP. Program also to include guest speaker Judge Bill Lane. Invites will include both IDB agencies, BZA, Commissioners and any other interested groups. Date set for evening **Tuesday, Dec 9 @ EOC building**. Save the Date invites sent.

Regional/State/Federal Partnerships

- Working with TVA on potential business prospects for local opportunities.

NEXT STEPS

Short-Term (This/Next Month)

- Q4 Joint Economic Community Development Board meeting set for Nov. 20 at EOC.
- Co-host countywide PILOT/Training Event at EOC in Dec.
- Continued meetings with local business leaders for introductions and discussion on business needs. (Meat plant and whiskey barrel warehouse tour soon.)

Long-Term (Next Quarter)

- Attend final session of TVA's Rural Leadership Institute in Dec.
- Partner with Chamber of Commerce to assist with increased industry participation in TVA's Wage and Salary Survey (Jan)

CONCLUSION & CALL TO ACTION

Our department remains focused on fielding new business and land development prospects, meeting more area business owners and discovering needs and support required. Also working to establish new ECD network and build contact database for current businesses, business prospects and owners with property for sale.

**BOARD OF ZONING APPEALS
FOR
HICKMAN COUNTY, TENNESSEE
MEETING MINUTES
Monday, November 10th, 2025 @ 6:30 p.m.**

1. ROLL CALL:

PRESENT: Eric Blystad
Brad Leeper
George Hedrick
Stephen Graves
Jim Delaney

ABSENT: None

2. APPROVAL OF MINUTES FOR THE MEETING OF OCTOBER 14TH, 2025:

Brad Leeper made the motion to approve minutes. Motion seconded by George Hedrick.
Approved (5 ~ Aye, 0 ~ No, 0 ~ Absent).

3. OLD BUSINESS: None

4. NEW BUSINESS: None.

5. HEARING OF PARTIES HAVING BUSINESS BEFORE THE BOARD:

- A. Consider the application, from Blanca and Alberto Garcia, for a special exception on property located at 2097 Hawks Landing, Bon Aqua, TN (Map 040, Parcel 074.00).**

Mrs. Garcia spoke with the Board. She wants to open a wedding/party venue in an existing bardominium on her property which is their secondary home. The space for the venue is approx. 2400 sq. ft. The main level would be the event space and the second level is living space. She said the max guest capacity would be 120 people. The building was permitted and septic and electric are existing. The property uses well water.

Public Comment:

- Steve Cram (neighboring property owner) said he respectfully but strongly opposes this request. He stated it is a private drive shared with two other lots. He stated there was a recent judgment against the Garcias' ordering them to pay their portion of shared expenses in the drive up-keep. He said their Subdivision Restrictions do not allow commercial use. He provided a petition with signatures from

all the surrounding neighbors – all whom oppose the application.

- Jimmy Weaver (neighboring property owner) state his concerns with the shared drive and McFarlin Lane. He said the increase in traffic to the venue would bring additional traffic which causes concern with up-keep and safety.
- David Deal (neighboring property owner) also expressed his concern with traffic issues the venue would cause.
- Thomas Mullins (neighboring property owner) expressed his concerns with potential noise disturbances the venue could bring and traffic issues.

Chairman Eric Blystad, reviewed the special exception criteria with the Board. Stephen Graves made the motion to deny the request based on the Board's findings (see attached). Brad Leeper seconded the motion. Motion to deny approved. (5 ~ Aye, 0 ~ No, 0~ Absent).

6. **REPORTS OF OFFICERS, COMMITTEES, AND STAFF:** None.

7. **ANNOUNCEMENTS:** Building Commissioner Brown announced two training dates. The first on December 4th, 2025, at the Centerville City Hall (Old Court Room) at 5 pm. The second on December 9th, 2025, at the EOC; dinner will be served at 6 pm and training will begin at 6:30 pm.

8. **ADJOURNMENT:** Stephen Graves made a motion to adjourn. Seconded by George Hedrick. Motion unanimously approved.

Hickman County Public Library Board Minutes
November 13, 2025

The meeting was called to order at 5:07 by Chairman Brian Graham with the following members present: Ashley Barnhill, Brian Crist, Jennifer Hudgins, and Elsa Rodriguez. Buffalo River Regional Director Anne Osborne, Director Mina Dressler, East Hickman branch manager Summer Boyd as well as visitor Gayla Bunn.

Minutes from the September meeting were approved as read. The motion to approve was made by Elsa Rodriguez and seconded by Jennifer Hudgins.

The financial report was presented and approved. The motion to approve was made by Ashley Barnhill and seconded by Jennifer Hudgins.

The Librarian's report was presented. The board learned of Fine Forgiveness Month, OSHA's visit, Termination of Bethany Sanzi and the hiring of Trevor Buchanan, the board agreed to allow both libraries to close on May 6, 2026 for the staff to attend "Customer Service-How may I help you?", and the timeline for appointments of new board members.

The Regional Librarian's report was presented. Anne Osborne told us about upcoming continuing education opportunities available, LSTA Tech Grant Award contracts have been sent out, 6 members of the Buffalo River Region are attending PLMI, and if any trustees need an orientation, they can contact Anne to schedule a time.

The only committee report was the Building and Grounds and to be reported in old business.

The old business report was presented.

Landscaping was completed in one day and they did a great job. The small flowerbed wasn't done due to plans to create a handicap van assessable parking spot there.

Mina presented note for the CDs at Heritage Bank. To have the presiding library chairman, vice-chair and director as the signatures on CDs, the library by-laws would need to have an amendment stating that the library chairman, vice-chair and library director's signatures would be used for certificate of deposits. A copy of the approved amendment would need to be taken to the bank for their records. The board meeting minutes for May, when election of officers is held, would need to be taken to the bank so the names can be recorded and new CDs issued when new officers are elected. If changing banks, because a higher interest rate was found, CDs would need to be cashed out, cashier checks issued and taken to new bank where new CDs would be issued. The savings

account can remain at Heritage Bank and the interest from the new CDs can be deposited into it. It is best if changing banks, for higher interest rate, can be done at maturity of CDs as to minimize loss of interest.

The new business report was presented.

Mina spoke about the proposed Dress Code Policy she sent out to everyone. Jennifer Hudgins made a motion to approve the policy and Elsa Rodriguez seconded the motion. The motion passed.

Mina spoke about the proposed changes to the Circulation fines. These changes would be that maximum overdue fines on DVDs would change from \$20 to \$1 and that we would eliminate the equipment fines due to the fact that we don't loan equipment any longer. Brian Crist made a motion to approve the changes and Jennifer Hudgins seconded the motion. The motion passed.

The next meeting is January 8, 2026-5:00pm.

Meeting adjourned at 5:38pm.

Hickman County Opioid Settlement Board Meeting Minutes September 9th, 2025

Board Members Present: Chairman Leon Brower, Vice-Chairman VACANT, Secretary Melanie Totty Cagle, Amanda Gordon, Misty Moore, Joey Cox, and Jim Melrose.

Non-voting members Present: Mayor Jim Bates and Financial Director Crystal Fitzgerald.

Absent: One current member.

Call to Order: The meeting was called to Order by Chairman Brower at 5:00 p.m. After roll call was taken, Chairman Brower, led the Board in the Pledge of Allegiance and Prayer, for anyone wanting to participate.

Approval of the Agenda: Misty Moore made a Motion to Approve May 13th, 2025, Agenda of the Board. Seconded by Joey Cox. All approved. Agenda approved. No nays.

Approval of the Minutes from August Meeting: No Meeting occurred in August of 2025.

Public Comment Period: No one appeared to speak.

Old Business:

- 1) A second vacancy still exists for the mayor to appoint.
- 2) No Vice-Chairman was selected at this time. A Vice-Chairman will be selected at the next meeting.
- 3) Crystal Fitzgerald, Finance Director, was present and gave a financial summary of the account held by the Opioid Account. Total Funds held are \$152,215.87. A copy was provided to all members and attached to the agenda and the formal notes.
- 4) HOPE RECOVERY was present to answer questions regarding the Q1 and Q2 report filed and concerns by the Opioid Board members. A discussion occurred. Topics included:
 1. A reminder that other donated money remains segregated from Opioid grant money.
 2. Books by Jim Tanner and other items for Adopt a Class are paid for by private funds rather than Opioid grant funds.
 3. Use of opioid funds by HOPE RECOVERY in other programs that receive opioid grant money needs to be carefully documented.

No further Old Business.

New Business:

Four Applications for 2025 have been received to wit:

1. Pearltown Housing: \$147,100.00
2. Hickman County School System: \$22,000.00
3. United Way: \$30,000.00
4. CASA: \$15,000.00

Mike Elkins requested by email that 2024 Opioid grant funds be extended to be used through June 30th, 2026. The Board requested said request be made by formal request not be email.

Review of Q1-Q3 reports from each Opioid Grant recipient needs to occur by the Board. Several Agencies have failed to follow the required reporting requirement(s) deadlines, bank records, receipts, etc. The Mayor advised that said funds can be requested back from the Agency by the Board if the Agency continued to be in non-compliance or if it was determined that said Agency was using the funds in a manner not in compliance with the intended purpose of the Opioid Settlement Fund Contract.

Due to Veteran's Day and Fall Break, the October meeting will occur on October 21st, 2025, at 5:00 p.m. to meet with representatives of UT SMART to discuss the AUDIT of Q1-Q3 of the 2024 Grant Award recipients' reports. A copy of the Summary of UT SMART Initiative Review is attached.

Applications for 2025 shall be reviewed at a later meeting of the Opioid Board.

Motion to Adjourn was made by Joey Cox and Seconded by Amanda Gordon at 6:30 p.m. All in favor. Meeting Adjourned.

Next Meeting will be held October 21st, 2025, at 5:00 p.m. at the Hickman County Justice Center, Courtroom C.

Hickman County Opioid Settlement Board Meeting Minutes October 21st, 2025

Board Members Present: Chairman Leon Brower, Vice-Chairman VACANT, Secretary Melanie Totty Cagle, Amanda Gordon, Misty Moore, Joey Cox, and Jim Melrose.

Non-voting members Present: Mayor Jim Bates and Financial Director Crystal Fitzgerald, Trevor Henderson and Clint Brasher with UT Smart Initiative.

Absent: One current member.

Call to Order: The meeting was called to Order by Chairman Brower at 5:00 p.m. After roll call was taken, Chairman Brower, led the Board in the Pledge of Allegiance and Prayer, for anyone wanting to participate.

Approval of the Agenda and the Minutes from the September 9th, 2025 Meeting: Misty Moore made a Motion to Approve, Agenda of the Board. Seconded by Misty Moore. All approved. Agenda approved. No nays.

Public Comment Period: No one appeared to speak.

Old Business:

- 1) A second vacancy still exists for the mayor to appoint.
- 2) No Vice-Chairman was selected at this time. A Vice-Chairman will be selected at the next meeting.
- 3) Crystal Fitzgerald, Finance Director, was present and gave a financial summary of the account held by the Opioid Account. Total Funds are \$152,524.59. A copy was provided to all members and attached to the agenda and the formal notes.
- 4) UT Smart Initiative Representatives Trevor Henderson and Clint Brasher were present to answer questions regarding the Q1, Q2, and Q3 report filed and concerns by the Opioid Board members. A discussion occurred. Topics included:
 1. EDUCARE—Need to address the failure of the program to advance past just 2 persons being served and failure to meet the goals proposed in the Application
 2. Hickman School Systems – Seems to be doing well
 3. Pearl town Housing Initiative – Possible too many expenses in the house that are not needed for Opioid remediation; cannot quantify how many persons have been serviced from Hickman County; Concern if the Grant Money is being used to pay Rent to the Owners of the property which was not contemplated in the Application; Expenses from Amazon that are not properly documented by debit card

4. United Way – Need to address why progress has not been made with the Program
5. Hickman County School System BH Dept. – Seems to be going well
6. Bernard Community Center – 25,000 spent on an upgraded ADA bathroom that is not an approved expense that may need to be repaid back to the Grant program
7. CASA – Seems to be going well
8. Hope in Recovery -- Possible too many expenses in the Recovery Fest and other program that are not needed for Opioid remediation; cannot quantify how many persons have been serviced from Hickman County; Concern if the Grant Money is being used to pay Rent to the Owners of the Hope Church which was not contemplated in the Application; Expenses from Amazon that are not properly documented by debit card; Expenses for food, groceries, and car maintenance that were not approved by the Board; No return of funds for Jim Tanner's book; Concern over purchase of Easter items
9. VFW – Seems to be going well; However, Q# is missing and needs to be reported
10. Booker D. Foundation -- Possible expenses that are not needed for Opioid remediation; cannot quantify how many persons have been serviced from Hickman County; Concern if the Grant Money is being used to expenses for Dental, Eyeglasses and office expenses.

Four Applications for 2025 have been received to wit:

1. Pearltown Housing: \$147,100.00
2. Hickman County School System: \$22,000.00
3. United Way: \$30,000.00
4. CASA: \$15,000.00

Applications for 2025 shall be reviewed at a later meeting of the Opioid Board.

No further Old Business.

New Business:

Due to the issues stated and discussed above, each Grant Awardee will be asked to address the Board for an Audit.

The Mayor will ask all Hickman County Emergency Department Heads to attend the December Meeting to discuss Community Opioid needs.

The Board will consider a Navigator to administrator future grant monies such as a similar program developed in Sumner and Montgomery Counties.

Until a full Audit is conducted on:

1. EDUCARE
2. Pearl Town Housing Initiative
3. Bernard Community Center
4. Hope in Recovery
5. Booker D. Foundation

All grant funds shall be suspended, and each organization shall be advised to stop using any funds each organization currently has on hand. Each Organization will be advised to turn over all financial records to assist with said Audit and to attend the meeting to answer questions of the Board. A letter will be sent to the Grant Recipient to that effect. Motion made by Chairman and seconded by Melanie Cagle, all in favor. No naves.

Motion to Adjourn was made by Amanda Gordon and Seconded by Misty Moore at 7:08 p.m. All in favor. Meeting Adjourned.

Next Meeting will be held November 7th, 2025 at 4:00 p.m. at the Hickman County Justice Center, Courtroom A.

*The Opioid Settlement Committee shall meet on **October 21st, 2025 at 5:00 PM**, at the Hickman County Justice Center. This meeting is open to the public, and a tentative agenda is presented below. People desiring to speak during the public comment period should sign-up at the front of the meeting room before the meeting begins. People requiring special assistance to attend the meeting should contact the County Mayor's office at 931-729-2492 at least 48 hours prior to the meeting.*

OPIOID SETTLEMENT COMMITTEE **AGENDA**

- Call to Order
- Roll Call
- Pledge of Allegiance/Opening Prayer
- Approval of the Agenda
- Approval of Minutes of September 9th, 2025, Meeting
- Public Comment Period
- Financial Report

Old Business

- 1) Appointment of one Board Member by Mayor
- 2) Vote for Vice-Chairman
- 3) Review of Q1, Q2, and Q3 reports with UT Smart Representative Trevor Henderson
- 4) Review of Timeline for 2025 Grant Applications

New Business

Date and Time of Next Meeting (Note next scheduled meeting is on Veteran's Day)

Adjournment

ONLY

Residential Density

Very low-density with mix of agricultural uses (typical density of 1 unit per 3 - 15 acres)

Sewer / Septic

Conventional septic

Protection of Natural Resources	X	Expansion of Infrastructure	
Maintain Sense of Community and Character	X	Viable Agriculture	X
Rural Preservation	X	Increased Housing Options	
Economic Development		Expansion of Community Services	

Remove all words in parentheses: (typical density of 1 unit per 3 - 15 acres)

RURAL PLACES

Definition

This placetype intends to maintain an agrarian character in outlying areas which include active, mostly small-scale, farming operations and large home sites. It stands on its own as a reflection of existing character, but is also considered a "transitional" area between farmland preserves and more locally-intense development. Residential uses are low-density, reflecting reliance on on-site sewage disposal systems. Public sanitary sewer is unlikely to be provided here. While many locations in this character area may be served by public water, some will continue to rely on individual wells for water supply.

Local Examples

- Shady Grove
- Primm Springs
- Nunnally

Development Pattern

- Large lot (≥ 1 acre), single family home sites with a rural setting
- Agriculture and forestry permitted
- Limited commercial and no industrial uses

Typical Street Pattern

- Two-lane roads with shoulder and ditch, no curb and gutter
- Spacing of streets varies

Primary Uses

- Single family homes
- Limited commercial uses

Residential Density

Large lot rural residential (typical density of 1 unit per acre)

Sewer / Septic

Conventional septic

Protection of Natural Resources	X	Expansion of Infrastructure	
Maintain Sense of Community and Character	X	Viable Agriculture	X
Rural Preservation	X	Increased Housing Options	X
Economic Development		Expansion of Community Services	

Remove (≥ 1 acre) and (typical density of 1 unit per acre)

RESIDENTIAL GROWTH

Definition

This placetype is located outside identified centers that are experiencing the majority of the county's growth. It is designated primarily for single family homes on smaller lots or within conventional subdivisions. Public water is available. Public sanitary sewer may be available. Densities are medium (0.5 acre lot sizes) to low (1 acre lot sizes) where public water is available. If public sewage is available duplexes and townhomes (single family attached) may exist. Small-scale agricultural uses may also exist.

Local Examples

- Northeast Hickman County
- Lyles

Development Pattern

- Predominantly low to medium density, residential
- Structure heights of one to two stories

Typical Street Pattern

- Two-lane roads and collector streets
- Curb and gutter used sparingly
- Connectivity between new developments should be encouraged

Primary Uses

- Single family homes

Residential Density

Low- to medium density residential (typical density of 1 unit per 0.5 to 1 acre)

Sewer / Septic Sewer or decentralized / hybrid septic system

Protection of Natural Resources		Expansion of Infrastructure	X
Maintain Sense of Community and Character	X	Viable Agriculture	X
Rural Preservation		Increased Housing Options	X
Economic Development		Expansion of Community Services	

Remove (0.5 acre lot sizes) and (1 acre lot sizes)
Remove (typical density of 1 unit per 0.5 to 1 acre)

TOWN RESIDENTIAL

Definition

This placetype is the closest to, or located within, the areas with the highest levels of activity and growth pressures. Public water and sewage exists, and these areas are served with more urban services and facilities such as parks, community centers, libraries, and schools. The predominant use is single family homes. A mix of land use types, including townhomes and multifamily residences, mixed-use developments and community commercial centers typically will exist.

Local Examples

- Bon Aqua Junction
- Highway 46 Corridor
- Centerville

Development Pattern

- Predominantly medium density, residential
- Medium residential (1 unit per 0.5 acre)
- Structure heights of one to three stories

Typical Street Pattern

- Two-lane roads, collector streets, and two- to four-lane divided roads
- Curb and gutter used in new developments
- Connectivity between new developments should be encouraged

Primary Uses

- Single family homes
- Multifamily residences
- Community facilities
- Commercial

Residential Density

Medium density residential (typical density of 1 unit per 0.5 acre or less)

Sewer / Septic Sewer
or decentralized / hybrid
septic system

Protection of Natural Resources		Expansion of Infrastructure	X
Maintain Sense of Community and Character	X	Viable Agriculture	
Rural Preservation		Increased Housing Options	X
Economic Development	X	Expansion of Community Services	X

Future Land Use Plan | 31

Remove (1 unit per 0.5 acre) and (typical density of 1 unit per 0.5 acre or less)

RURAL CROSSROADS

Definition

This placetype is envisioned to consist of compact assortments of convenience-oriented retail services at rural crossroads that address the needs of residents in rural portions of the county. It might contain small-scaled commercial uses, such as a convenience store, gas station, or restaurant – as well as smaller lot residential uses. Primary emphasis is convenience while maintaining rural character.

Local Examples

- Shady Grove
- Pinewood
- Highway 100 Crossroads

Development Pattern

- Mix of commercial and smaller residential lots
- Community facilities such as churches, meeting lodges or schools may exist
- Light industrial permitted

Typical Street Pattern

- Arterial or collector streets at intersections
- Adjoining streets may connect in a grid pattern

Primary Uses

- Small-scale commercial or institutional uses
- Limited medium density residential

Residential Density

Low- to medium density residential
(typical density of 1 unit per 0.5 to 1 acre)

Sewer / Septic

Conventional septic

Protection of Natural Resources		Expansion of Infrastructure	
Maintain Sense of Community and Character	X	Viable Agriculture	
Rural Preservation	X	Increased Housing Options	X
Economic Development	X	Expansion of Community Services	X

Remove (typical density of 1 unit per 0.5 to 1 acre)

COMMUNITY COMMERCIAL

Definition

This predominantly commercial area usually follows major transportation corridors. It is envisioned as a place with a compatible mixture of higher density nonresidential development, such as grocery stores, strip developments, car washes, medical facilities, and other community-oriented commercial uses. Higher density housing may be provided.

Local Examples

- Fairfield
- Bon Aqua Springs
- Highway 46 Corridor

Development Pattern

- Mix of commercial services
- Community facilities (churches, meeting lodges, or schools) exist in the area
- Light industrial permitted
- Structure height of one to three stories

Typical Street Pattern

- Arterials served by local roads
- Spacing of streets varies with an emphasis on connectivity and improved safety that reduces traffic conflicts
- Managed driveway access consistent with current state standards

Primary Uses

- Commercial and institutional uses

Residential Density

Medium- to high-density residential (typical density of 1 unit per 0.25 acre or less)

Sewer / Septic Sewer or decentralized / hybrid septic system

Protection of Natural Resources		Expansion of Infrastructure	X
Maintain Sense of Community and Character	X	Viable Agriculture	
Rural Preservation		Increased Housing Options	
Economic Development	X	Expansion of Community Services	X

Remove (typical density of 1 unit per 0.25 acre or less)

Agriculture-Forestry

This zoning district most closely resembles the Conservation, Agricultural Preservation, and Rural Places placetypes. The following should be considered when determining an A-1 district's compatibility with the following placetypes:

Conservation: A-1 permits development, including homes and structures, while the Conservation placetype focuses on zero or very limited development. Aligning A-1 with Conservation areas could require downzoning, removal of structures, or land use restrictions if necessary.

Agricultural Preservation: A-1 and this placetype support agricultural development. However, A-1 allows lots as small as one acre, while Agricultural Preservation reflects typical densities of between three and 15 acres. To align A-1 zoned parcels with Agricultural Preservation areas, reduced permitted development density would be required.

Rural Places: A-1 and Rural Places are similar in visual and land use character, but have slightly higher development density, with Rural Places having a target of one unit per acre maximum. To align A-1

zoned parcels with Rural Places areas, permitted development density would need to be capped at one acre.

This zoning district is generally compatible to be restructured into any of the nine future land use placetypes due to its relatively undeveloped nature and large lot size, so long as specific utility, permitted use, and lot size requirements are accounted for during the rezoning process.

Future Land Use Plan | 39

Ammendment:

Agricultural Preservation: A-1 and this placetype support agricultural development . A-1 allows lots as small as one acre. This zoning would be low-density with a mix of agricultural uses.

Rural Places: A-1 and Rural Places are similar in visual and land use character, but have slightly higher development density.

This zoning district is generally compatible to be restructured into any of the nine future land use placetypes due to its relatively undeveloped nature and large lot size, so long as specific utility, permitted use, and lot size requirements are accounted for during the rezoning process .

Suburban Residential

This zoning district most closely resembles the Residential Growth and Town Residential and is partially compatible with the Agricultural Preservation and Rural Places placetypes. The following should be considered when determining an R-1 zone's compatibility with the following placetypes:

Residential Growth: R-1 and this placetype both support low-to-medium density development and focus on single family developments or duplexes. However, R-1 currently

allows higher density development, with lots being as small as 15,000 square feet whereas Residential Growth lots are aimed to be at least half an acre per residential unit. To align R-1 zoned parcels with Residential Growth areas, reduced permitted development density would be required.

Town Residential: R-1 and this placetype both support medium density development. However, Town Residential placetypes also aim for higher density development,

including townhomes and multi-family residences. R-1 can be rezoned to serve Town Residential purposes, provided the lot density is kept to one unit per 0.5 acre or less and public sewer system or decentralized / hybrid septic system requirements are met.

Some R-1 zones may be compatible with Rural Places and Agricultural Preservation placetypes provided the R-1 lots meet the development density and primary use criteria of these placetypes.

High-Density Residential District

This zoning district most closely resembles the Town Residential placetype and is partially compatible with the Residential Growth placetype. The following should be considered when determining an R-2 zone's compatibility with the following placetypes:

Town Residential: The R-2 zoning district and Town Residential placetype both aim for medium to high residential development. The R-2 zoning district requires public sewer systems, while the Town Residential placetype requires public sewer systems or decentralized / hybrid septic systems. Repurposing R-2 districts into Town Residential placetypes will require minimal reworking of

existing zoning ordinances provided the one unit per 0.5 acre (or less) development density of the Town Residential placetype is maintained.

Some R-2 lots may be compatible with the Residential Growth placetype as long as the R-2 lots meet the minimum development density and primary use requirements of the Residential Growth placetype.

General Commercial District

This zoning district most closely resembles the Community Commercial placetype and is partially compatible with the Rural Crossroads and Interchange Area Development placetypes. The following should be considered when determining a C-1 zone's compatibility with the following placetypes:

Community Commercial: The C-1 zoning district and Community Commercial placetype are both predominantly commercial areas which generally follow major

transportation corridors. The C-1 zoning district does not require public sewer systems on all lots, and the Community Commercial placetype calls for public sewer OR decentralized / hybrid septic systems. Updates to C-1 parcel sewer/septic systems may be needed. C-1 zoning district land area requirements are generally compatible with the Community Commercial placetype, but attention may be required for any residential units placed on these parcels, so they conform to the

one unit per 0.25 acre residential density outlined in the Community Commercial placetype definition.

C-1 parcels may be compatible with Rural Crossroads and Interchange Area Development placetypes as long as the parcels meet minimum lot size, public utility, and permitted use criteria of these placetypes. The general character of existing C-1 districts may be currently developed for higher intensity use than these placetypes call for and special consideration must be given to use type and intensity in these areas.

Amendment:

Residential Growth: R-1 and this placetype both support low-to medium density development and focus on single family developments or duplexes . However, R-1 currently allows higher density development, with lots being as small as 15,000 square feet whereas Residential.

Town Residential: R-1 and this placetype both support medium density development . However, Town Residential placetypes also aim for higher density development, including townhomes and multi family residences . R-1 can be rezoned to serve Town Residential purposes, provided that public sewer system or decentralized / hybrid septic system requirements are met . Some R-1 zones may be compatible with Rural Places and Agricultural Preservation placetypes provided the R-1 lots meet the development density and primary use criteria of these placetypes.

Town Residential: The R-2 zoning district and Town Residential placetype both aim for medium to high residential development . The R-2 zoning district requires public sewer systems, while the Town Residential placetype requires public sewer systems or decentralized / hybrid septic systems . Some R-2 lots may be compatible with the Residential Growth placetype as long as the R-2 lots meet the minimum development density and primary use requirements of the Residential Growth placetype.

Community Commercial: The C-1 zoning district and Community Commercial placetype are both predominantly commercial areas which generally follow major transportation corridors . The C-1 zoning district does not require public sewer systems on all lots, and the Community Commercial placetype calls for public sewer OR decentralized / hybrid septic systems . Updates to C-1 parcel sewer/septic systems may be needed . C-1 zoning district land area requirements are generally compatible with the Community Commercial placetype, but attention may be required for any residential units placed on these parcels. C-1 parcels may be compatible with Rural Crossroads and Interchange Area Development placetypes as long as the parcels meet minimum lot size, public utility, and permitted use criteria of these placetypes . The general character of existing C-1 districts may be currently developed for higher intensity use than these placetypes call for and special consideration must be given to use type and intensity in these areas.

Commercial District

This zoning district most closely resembles the Community Commercial placetype and is partially compatible with the Industrial, Rural Crossroads, and Interchange Area Development placetypes. The following should be considered when determining a C-2 district's compatibility with the following placetypes:

Community Commercial: The C-2 zoning district and Community Commercial placetype are both predominantly commercial areas. C-2 zones are generally developed for less intensive commercial use, so upscaling development to match

a Community Commercial area's land use vision may be required. The C-2 zoning district does not require public sewer systems on all lots while the Community Commercial placetype calls for public sewer OR decentralized / hybrid septic systems. C-2 zoning district land area requirements are generally compatible with the Community Commercial placetype, but attention may be required for residential units placed on these parcels so they conform to the one unit per 0.25 acre residential density outlined in the Community Commercial placetype definition.

The C-2 zoning district is partially compatible with the Industrial, Rural Crossroads, and Interchange Area Development placetypes. The lower density and intensity of C-2 zone developments may make these areas particularly suitable for repurposing into Rural Crossroads and Interchange Area Development placetypes, which follow similar guidelines in terms of development intensity and preferred land use. In some instances, C-2 zoning districts may be repurposed for light industrial use if lot size, utility, and development density requirements are met.

General Industrial District and Heavy Industrial District

These zoning districts are specifically designated for industrial use, therefore Industrial is the most compatible placetype with these districts. Similarities between the I-1 / I-2 zone and the Industrial placetype come from their permitted uses of light- to high-

intensity Industrial activities. The I-1 and I-2 zoning districts and the Industrial placetype are intended to accommodate warehousing, manufacturing, machining, and wholesale uses. Adequate buffers should be left between these uses and other placetypes in

order to limit the amount of noise, light, and other disturbances experienced. Due to the unique and sometimes hazardous permitted uses in Industrial zoning districts, repurposing I-1 and I-2 zones into other non-Industrial placetypes is not advisable.

Amendment:

Community Commercial: The C-2 zoning district and Community Commercial placetype are both predominantly commercial areas . C-2 zones are generally developed for less intensive commercial use, so upscaling development to match a Community Commercial area's land use vision may be required . The C-2 zoning district does not require public sewer systems on all lots while the Community Commercial placetype calls for public sewer OR decentralized / hybrid septic systems . C-2 zoning district land area requirements are generally compatible with the Community Commercial placetype.

The C-2 zoning district is partially compatible with the Industrial, Rural Crossroads, and Interchange Area Development placetypes . The lower density and intensity of C-2 zone developments may make these areas particularly suitable for repurposing into Rural Crossroads and Interchange Area Development placetypes, which follow similar guidelines in terms of development intensity and preferred land use . In some instances, C-2 zoning districts may be repurposed for light industrial use if lot size, utility, and development density requirements are met
